

Since 1978, G&H Manufacturing has engineered exceptional products for the waste and recycling industry. We manufacture the #1 most requested hoist in the industry.

Innovative designs are combined with cutting edge technology and genuine craftsmanship, exceeding all industry standards and providing unsurpassed quality and assurance.

Retracted to 32 feet

All EXT Trailers come with a Front Trolley Cylinder. This allows the container to move back and forth to adjust the weight of the load

Controls are set out from under the container for easy access while operating

Extended to 42 feet
