

TBX50 Two Box Trailer

Since 1978, G&H Manufacturing has engineered exceptional products for the waste and recycling industry. We manufacture the #1 most requested hoist in the industry.

Innovative designs are combined with cutting edge technology and genuine craftsmanship, exceeding all industry standards and providing unsurpassed quality and assurance.

Standard cable transfer winch moves the cable hook back into position for loading a second container

Fully interchangeable Sheaves and Fenders

ICC Bumper folds as the Hoist is raised

All TBX Two Box Trailers come with two speed hand crank landing gear
